"Be the change you wish to see in society."

SOLUTION SUMMER INTERNSHIP

SUMMER INTERNSHIP PROGRAM 2026

Date of Publishing: 08.04.2026

SOLUTION invites applications from motivated and socially committed students and young professionals for its **Summer Internship Program (May-June 2026)**. This program offers an excellent opportunity to gain practical exposure in the development sector and contribute to impactful grassroots initiatives.

What is the SOLUTION Summer Internship Program 2026?

The **SOLUTION Summer Internship Programme 2026** is a structured initiative designed to provide **Undergraduate, Postgraduate, B.Tech, Law, and other professional course students** with practical exposure to the functioning of a non-profit organisation.

This programme aims to promote **inclusivity, diversity, and gender equality**, while offering students a platform to learn, contribute, and grow professionally.

Selected candidates will work closely with SOLUTION teams across projects and departments, gaining insights into:

- Community-based development interventions.
- Project planning, implementation, and monitoring.
- Research, documentation, and reporting.
- Grassroots challenges and sustainable development approaches.
- NGO operations, governance, and compliance systems.
